Master Lian, how are you feeling?

Fine, I think. Hooman?

Sleeping in his room

Where did you go last night?

...

You two were completely exhausted. You know the Healers will scold us if she catches you like that.

Does mother know?

Of course not! It was an ordeal to sneak you two inside. Thank God for the guest!

Lian, my dear son!!

You are awake! What good timing. You are going shopping with mommy!

Sigan visited me but right and informed me that he restocked his store with royal clothes from overseas!

You don't have any plans for today, do you? You two were nowhere to be seen yesterday. Mommy was so bored!

I'm going to wake Hooman up. Get changed meanwhile~

I guess she doesn't know. For sure.

I told you...

He've managed somehow this time, but please be careful in the future.

Madam, you should refrain from using this path.

Why not? This way saves time, no? Besides, I like the market here.

You hate this route!

Hey, go!

Uh, uh? Hey, kiss—

Do you know who she is?! How dare you block her way!

Apologize to her right now!

Argh.. this is why I don't like it here.

/n.

Sorry..

Old Sir that you, Lord Rokan?

It's been a while.

Good to see you.

Hahaha. sort of, yes. I'm visiting Sujin's store.

He has restocked his goods. I was told.

Madam, with your class and wealth, you should be visiting a higher class merchant.

He is a commoner. I wouldn't trust him.

Excuse me.
